## HR TEAM BUILDING PARTNER FOR YOUR EVENT

Each one of our Team Building format can be realized **everywhere in Italy** and can be upgraded with additional features such as **iPad tablets, videos and pictures editing, wide screen projection, prizes and celebrations.**

### URBAN GAME TEAM BUILDING:

Built upon territory exploration, discovering of folk traditions and interaction with the local people. Vintage vehicles can be used to enhance the experience. Through this activity we will assist your team in improving the exploring and communication potentials of your team.

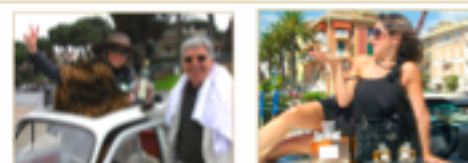

### CINEMA TEAM BUILDING:

Find out the locations of the most famous films set in Italy, reach the spots and be a movie star for a day. Through the role playing activity, we will assist your team to expand their artistic creativity and inspiration. Tablets will be provided to get your own personal videos.

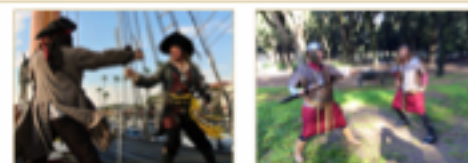

### CREATIVE TEAM BUILDING:

Design your company brand advertisement, shoot the most significant pictures with the tablets and create an impactful advertising message. Accessories, items and clothing will be provided on the spot.

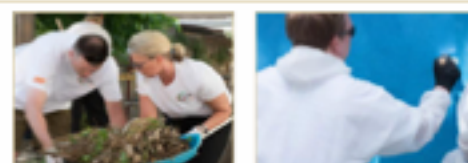

### ACTION TEAM BUILDING:

Adventure, thrill and fun are the ingredients of these activities. Your team will be involved in engaging trials that will challenge the physical and mental skills of your team and define the bravest participants.

### SOCIAL TEAM BUILDING:

Cohesion, cooperation and manual labor will lead to the realization of a social valuable project. We identify the intervention area and provide all the required equipment and you do the teamwork.

### COOKING TEAM BUILDING:

Discover the flavors of local culinary traditions with our blind tastings, cooking classes and gastronomic itineraries throughout Italy.
